RE: Access to Confidential Information

Pursuant to APM 11.04(C)(6)(a) I request that Tymerial McKenzie be granted access to all confidential audit work papers. Tymerial works in the Bureau of Auditing in processing audit reports and work papers. These will often include confidential work papers. Also, the district office staff will occasionally need to review work papers from a prior audit to facilitate their work in a current audit. I would like for Tymerial to be able to drop off and pick up confidential work papers to assist the Bureau staff. Any confidential information reviewed will be treated in accordance with the procedures in the APM.

i will do it now. i was out of town last week.

so, all of the ILEC/CLEC competition report confidential documents should have SGA as the responsible division ?

& i will only change the active ones.

Could you please reassign this to ECR? Also, have the Competition report filings been transferred to Greg Schafer's new division yet?

This document relates to CLEC access charges. Dave and Devlin have been assigned from the beginning, and this project followed them to ECR. While I am involved, it would be better if this document could be listed under ECR so that one of them could continue to handle confidentiality issues.

Hi Raquel,

Thank you for the clarification, I misunderstood your message below because you mentioned that "a copy of the RAF form is with it." I thought you meant that the RAF form (for TX618) was attached to the payment information (for TJ587) which was provided earlier to CLK. As I understand it now, they did not provide any type of RAF return form with the check, so we would only have the e-mail between you and Paula to reference that payment. Thanks again for your help! :)

Hi Raquel,

We have received the payment record for GPW (TJ587; TX618), Dep 839, dated 4/28/08. Your message to Paula asks for the breakdown of both checks and she replied as to the breakdown for each check. However, your handwritten notes on the payment record "only" mentions the $1,344 payment, check No. 40927. Will there be another payment record forwarded to us to address the $708 payment for TX618?

Paula,

Should the payment information for TX618 be included in closed Docket 070351 or in Docket 080000?

Thank you for your help ladies!

Dorothy

Dorothy, the reason Raquel only provided you info about TJ587 is because that is the only one that should go in Docket No. 070446-TI. The payment info about TX618 should not be put in 070351. If you want to put it in undocketed, that's OK, but it is not even necessary. It was TJ587 that I wanted to make sure CLK had.

Matilda,
YES! Thanks for locating the list. I looked for it in my sent folders and couldn't find it. Also include those to whom you sent the Amended Notice(reference the Nov. 7 email). I understand it was an addition 101 entities.

And it is not a problem for the agency notice to go tomorrow rather than today. That still gives us plenty of time before the April 25th hearing.

Thanks for all your help.

Electric (EI)
Electric (EM)
Electric (EC)
Gas (GU)
Telephone (TL)
Telephone (TX)
& FCTA

We can go with this if you want.

My voice mail to you Keino, I finally see the Notice of Workshop on the Commission Calendar System listed in the May 1st day now

Please advise if you want this Notice to go with above list parties list

Matilda, Keino needs to answer this question and he just left for lunch. I will followup and make sure you get the needed answers.

There is also an FAW notice, so interested persons may simply be people who find themselves to be interested after they read about it. But that's just my guess.

On this Undocketed Notice of Workshop you have to "All Interested Persons" For Undocketed it's unlike the Docketed, so there is no Parties list. We need GCL to let us know who the Interested parties are, and Industries that you would like this Notice to be issued to.

If these persons are not in a specific industry workhop parties list, we'll need the addresses/email/faxes too.

Please advise as soon as possible so this Notice can be issued.

Ray/Nonnye

The company called me back and only intended to update contact information. The person completing the form listed the other d/b/a company the Utility Authority has on file, but is currently not using at this time and may not use, but should they decide to use it, they understand the need to submit a written request to change their name.

Ignore the FPUAnetCommunications on the update form. No further action necessary at this time.

Dorothy, since AT&T forgot this is a closed docket (060077) can you refile this in 080000?

Also, just in case -- in the next week or so, there could conceivably be filings by other telcos in 060077, or by electrics in 060078. The 060078 dkt is closed also.

Thanks

PS Dont know how I changed the font of all this :0

Please allow Bernard Windham, Engineering Specialist III, to have access to Document No. 01359-08 filed with the Office of Commission Clerk today by Florida Power and Light Company (FPL) for which a Notice of Intent to Seek Confidential Classification (Document No. 01358-08) was also filed. SUBPOENA DUCES TECUM WITHOUT DEPOSITION

THE STATE OF FLORIDA

TO: Greg Follensbee, BellSouth Telecommunications, Inc. d/b/a AT&T Florida d/b/a AT&T Southeast, 150 South Monroe Street, Suite 400, Tallahassee, FL 32301

YOU ARE COMMANDED to respond 30 days from issuance of Subpoena, or at such other time and place as may be mutually agreed upon by counsel, and to have with you at that time and place the following:

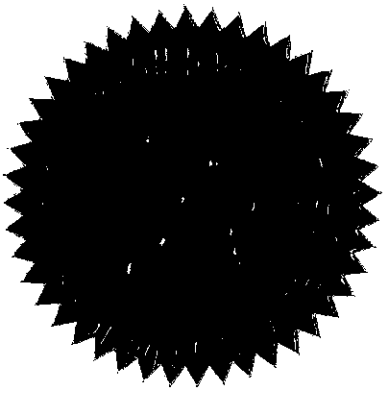

1. For any service that AT&T-Florida sells to midwestern Telecommunications, INC. (MTI) for the provision of residential access service, be it Wholesale Local Platform (WLP) or resale, please detail the charge, if any, that AT&T-Florida assesses MTI for toll limitation service (TLS). If a charge is assessed, and the information is readily available, provide a breakdown, by month, for the charge that was billed to MTI for TLS service, along with the number and type of service (WLP or resale). We would like this information for every month that MTI has been a customer of either BellSouth-Florida or AT&T-Florida.
2. Does AT&T-Florida receive any reimbursement from USAC through the Link-Up program for costs related to connecting Lifeline customers on resold lines for MTI? If so, how much? Is this reimbursement passed on to MTI in the form of a credit?
3. Does AT&T-Florida receive any reimbursement from USAC for costs related to TLS provided on resold lines to MTI? If so, how much? Is this reimbursement passed on to MTI in the form of a credit?
4. Please detail the number of access lines that have been sold to MTI, for every month that MTI has been a customer of either BellSouth-Florida or AT&T-Florida. Please show separately the number of WLP lines and resold lines, by month, and indicate how many are Lifeline lines.
5. Are Lifeline subsidies claimed by AT&T-Florida, and then passed on to MTI in the form of a credit? If so, how much of a monthly credit is passed on?
6. Did MTI have a commercial agreement with BellSouth in 2007? Please confirm AT&T's understanding of MTI's status, as either a facility based provider (WLP or its own equipment) or strictly a reseller for 2007.
7. What does AT&T-Florida charge to MTI as a connection fee for the typical residential customer? Is this fee the same for Lifeline customers?
8. Please provide copies of the monthly BellSouth-Florida/AT&T-Florida invoices sent to MTI for each month BellSouth-Florida/AT&T-Florida provided service to MTI in Florida. If the monthly invoices are too voluminous, please provide copies of just the latest month's billing.
9. Is MTI current regarding payments to BellSouth-Florida/AT&T-Florida?

Good afternoon, Paula. I have set up a new docket to cancel PATS Cert. No. 4208 by Dependable Security Systems, per your request to establish docket. I notice that the payment record was filed Monday in the undocketed matters. Should DN 00153-08 be moved to the new docket? Thank you for your help.
