BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

DOCKET NO. 080503-EI

IN RE: ESTABLISHMENT OF RULE ON RENEWABLE PORTFOLIO STANDARD

NOTICE OF STAFF TECHNICAL MEETING

TO: ALL INTERESTED PERSONS

ISSUED: August 1, 2008

NOTICE is hereby given pursuant to Section 120.54, Florida Statutes, that the Florida Public Service Commission will conduct an informal staff meeting to which all persons are invited at the following time and place:

Florida Public Service Commission
Friday, August 15, 2008 – 9:30 a.m.
Betty Easley Conference Center
Room 140, 4075 Esplanade Way
Tallahassee, Florida

This technical meeting will address further responses to the Commission's data request for information on renewable energy resources. Section 366.92, Florida Statutes, requires the Commission to submit a Renewable Portfolio Standard rule to the Legislature by February 1, 2009. As part of the rule development process, the Commission is to evaluate the current and forecasted available capacity, and current and forecasted levelized cost of renewable energy resources through 2020. On July 14, 2008 the Commission's staff issued to interested parties forms specifying the data and information needed to meet the statutory requirements. Responses were filed July 21, 2008, and an initial meeting was held July 25, 2008. The August 15, 2008, technical meeting will provide the Commission's staff and interested parties an opportunity to further discuss the responses and the specific data requirements of the statute. One or more Commissioners may attend. For information on the meeting, contact Karen Webb at (850) 413-6992 or kwebb@fpsc.state.fl.us.

Any person requiring some accommodation at this workshop because of a physical impairment should call the Office of Commission Clerk at (850) 413-6770 at least 48 hours prior to the hearing. Any person who is hearing or speech impaired should contact the Florida Public Service Commission using the Florida Relay Service, which can be reached at: 1-800-955-8771 (TDD).
