RE: Access to Confidential Information

Pursuant to APM 11.04(C(6)(a), I request that I, Dale N. Mailhot, be granted access to all confidential audit reports and audit work papers. I am currently supervising the Bureau of Auditing and assisting in processing audit reports and work papers which will often include confidential information. Because the district office staff will occasionally need to review audit reports and audit work papers from a prior audit to facilitate their work in a current audit, I will need to be able to pick up and drop off the necessary confidential audit reports and audit work papers as needed. Any confidential information will be treated in accordance with the procedures in the APM.

Subject: Petition for Waiver

a) The disputed billing issue that exists causes this Petition for Waiver of Florida Public Service Commission Staff interpretation of Florida Administrative Code Chapter 25-4.113 (f) and Florida Statutes Chapter 364.10(d) and 427.704 (4) that is harmful to ordinary persons.

b) Affected Agencies are Florida Public Service Commission 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850 and AT&T dba Bellsouth 500 Chastain Central Boulevard Suite 505 Kennesaw, Georgia 30144. Petitioner is xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx whose contact information is used for service only and to be redacted from all public records)

c) Petitioner received verbal telephone notice of FPSC's position/decision about this matter on/about August 28, 2009.

d) The issue is which party is ultimately responsible for payment in excess of services and products furnished by company to the subscriber/customer e.g. charges, taxes, etc.

e) Customers are obligated to pay for services and products received, and permitted to pay another's obligations.

f) Language of Florida Administrative Code Chapter 25-4.113 (f) and Florida Statutes Chapter 364.10(d) and 427.704 (4) appear ambiguous as Commission Staff (Morrow and King) read the code and statutes in a manner that is harmful to the ordinary person and in legal favor of the company. The same language read plainly favors the customer.

g) Petition seeks waiver of rule or reversal of commission's proposed inaction with action that benefits customers' position e.g. Commission to declare customer free from paying tax obligations of the company.

RE: Recent Changes to Florida Law Regarding Publishing of Schedules (Tariffs) & Change in Procedure Regarding Copies Submitted and Return Copy After Processing

Recent revisions to Section 364.04, Florida Statutes, allow telecommunications companies, at their option, to continue filing price schedules (formerly known as tariffs) with the Florida Public Service Commission (FPSC) or publish their schedules through other reasonably publicly accessible means, such as a website. A telecommunications company that does not file its schedules with the Commission is required to inform its customers where they may view the company's schedules.[1]

Since rules and procedures have not yet been established by the FPSC to address this statutory change, please follow the attached guidelines if you opt to publish your schedules some where other than with the FPSC.

Also, for schedules filed with the FPSC on or after October 1, 2009, you will only need to submit an original plus one copy because we will no longer be returning to you a copy of your schedule after it is processed.[2] Please make a copy for your records before sending it to the Division of Regulatory Compliance. We will continue to return acknowledgment copies of transmittal letters upon request if a self-addressed stamped envelope is included. The transmittal letter will be stamped with the date received and the appropriate authority number.

If you have any questions, or need additional information, please contact Laura King at 850-413-6588 or Jeff Bates at 850-413-6538.

[1] Revision to Section 364.04, Florida Statutes, became effective July 1, 2009. Chapter 364 may be viewed at http://www.leg.state.fl.us/statutes/index.cfm

[2] Although the rules require an original plus two copies be submitted, as a trial, we are asking for one less copy since it is no longer needed. Please note incumbent local exchange companies must continue to file a coded copy.

RE: Handling of Confidential Lifeline Information.

I am requesting assistance in developing a system to evaluate confidential Lifeline information. We are attempting to identify Lifeline customers who may be receiving more than one Lifeline credit/benefit, which is a violation of FCC rules. Some customers have both a wireline and a wireless telephone. We are concerned that customers may be receiving a Lifeline credit on their landline and their wireless phone. In addition, we don't want a customer to receive more than one credit from a company.

At present, the only way to detect whether a consumer is receiving duplicate Lifeline credits in these cases is to compare customer databases (names, addresses, social security numbers, etc.) of AT&T, Embarq, Verizon, and other ETCs with other ETC's data bases. Merging these databases will involve hundreds of thousands of Lifeline customers.

As personal identifying information of a Lifeline customer is confidential by law, we request that you send a memo (see attached sample) to the Clerk's office which would allow your staff access to these databases. The information (which will be considered confidential) shall be filed in the Commission's undocketed file number.

A.P.M. Chapter 11.04-12, No. 6(a)(3) states:

> Access by staff and the division/office CDC to confidential information filed in undocketed matters will require written approval by their division director/office head, with a copy to the Commission Clerk.

RCP staff had an initial meeting with Mimi Hearn and Benjamin Legaspi on July 22 to discuss this project. If you have any questions, please contact Jim Polk at 413-6510 or Bob Casey at 413-6974. Thank you for your assistance.

Martha,

This customer's informal complaint (0809449E) was transferred to the Process Review Group on 6/11/09. I assigned the case to Kate Smith. Kate is still in the process of investigating the customer's complaint. Kate has communicated with the customer on a number of occasions. The complaint is still open and protected from disconnection for the disputed amount and we are proceeding with the case as usual. It appears we may be able to propose a resolution and Kate may be able to obtain a settlement agreement. The case has been noted to date on the Process Review System - 0809449E.

Thanks, Neal

Dorothy, I'm sorry. This slipped my mind, as there is much going on right now. Keep this in the undocketed file for the time being. I want to send a letter to this lady telling her her formal complaint needs to follow our rules, but I probably won't get to it this week.
Neal, you might want to tell the company to refrain from cut off, since this has been filed.

Thanks,

Martha

Hi Martha,

Can you please review the attached filing. We weren't sure exactly how to process the filing as the letter states, "I am formerly [sic] disputing the PSC's proposed agency action order which allowed FPL's unreasonable back billing on my account due to meter tampering. I request a formal hearing into the matter." RCP and SSC have advised she is trying to file a formal complaint. We have entered the document in the undocketed matters for the time being, DN 07167-09. Please advise how we should proceed. Thank you!

Subject: RE: ETC Rule Workshop Notice

Hi Catherine,

I just looked over our issuing requirements and OPC will get the notice automatically when we issue it. We will include all ILECs and CLECs. There are no other governmental agencies that will get the notice.

Thank you for your help!

Dorothy

Subject: ETC Rule Workshop Notice

Hello!

To follow up the phone conversation I had with Dorothy, we are requesting to notify all ILECs and CLECs. The previous request to notify more parties than the LECs, I would like to ask to be ignored. Please let me know what else I can do! Thanks!!

Catherine

Hey Dorothy,

This customer is complaining about a high water bill from Mad Hatter Utilities. (I didn't see a reference to FPL) It should be placed in undocketed matters. I will have my staff look into this.

Thanks, Cheryl

Hi Cheryl,

I'm not sure if you are the person I need to ask, but if you are not, could you please direct me to the correct person? We have received the attached complaint against FPL, from an FPL customer, regarding an excessive water bill for 11/08 and 12/08. Should this be docketed or placed in undocketed matters (for now) and forwarded to ECR? Thank you for your help.

RE: Access to Confidential Information

Pursuant to APM 11.04(C)(6)(a) I request that Charlene Hinson, Susan Howard, and Jackie Schindler be granted access to all confidential audit work papers. These support staff will be working with the Bureau of Auditing in processing audit reports and work papers which will often include confidential information. Because the district office staff will occasionally need to review work papers from a prior audit to facilitate their work in a current audit, the support staff listed above will be able to pick up and drop off the needed confidential work papers for bureau staff as needed. Any confidential information will be treated in accordance with the procedures in the APM.

I am researching those companies in bankrupty and found that Budget Call (TI302) is still marked as being in bankruptcy. Budget Call was included in the bankruptcy proceedings with the Global Crossing companies, which emerged from bankruptcy proceedings on 12-09-03. Therefore, the bankruptcy mark should be removed from MCD for Budget Call. Thanks.

I contacted the above company regarding the Update Form mailed in that mentions a another company "Telecon Management Group. Inc." This is a parent company only.

Uni-Tel Communications Group, Inc. still plans to operate in FL under its current name and doesn't want a name change.

Hi Nonnye:

I have reviewed the Primus Telecommunications filing (your memo dated 04/16/09 with attachment - Document No. 03408-09). None of the companies listed should be marked as being in bankruptcy. The cover letter from Ms. Wang and Ms. Burt specifically states that only Primus and Least Cost's direct and indirect parent companies have filed for bankruptcy, but not the companies that actually have certificates with us.

Thanks!

Thank you Keino, this does help. Please note that we will be using company codes to include the interested persons. If the recipient you have indicated isn't listed in the contact information under the company code, the recipient will not receive the information. If you want the listed recipient to get the notice directly, you will need to provide specific information for that person. **This next sentence is added for clarification (it was not in the original e-mail to Keino): I need confirmation on whether the notice should go to the contact information under the company code, or to the specific person at the company listed below.**

For example, you have indicated "Lynne Adams, FPL" below. For FPL, the company code is EI802. The contact information under that company code is:

Hi Keino,

Thank you for providing the e-mail addresses, however, we still need to know "who" exactly you want us to send the notice to. I notice that you mentioned the IOUs, Munis, Coops, and ILECs below. If the companies are regulated, we have the addresses. We just need to know "who" specifially to send it too. Electric, telecom, anyone else? Also, for any company or interested person that does not have a company code, we need full contact information. Please combine the information into one e-mail as well. Thank you for your help.

Dorothy
