Unless the Telecom files it as confidential, otherwise it can be processed as a regular filing. I just had an email from Sprint-Virgin Mobile (Assurance Wireless) and their email was redacted. They further stated it would be filed confidential with your office.....If you have a question, please let me know.

Subject: Frontier Communications of the South, Inc. - Lifeline Link-up

Question:

Frontier has not been claiming their LifeLine and Link-up quarterly reports as confidential, but we've been assuming they are confidential, so we've been processing it as confidential.

Is/Should this report be confidential? or just a regular filing?

If it is to be confidential, the company needs to note that they are claiming it as such in their cover letter.

Subject: Reassignment of confidential documents

Marguerite, we are transitioning some of our duties related to telecom over to RAD.

In keeping with this, we need have some documents from the Confidential Documents Inventory transferred to RAD.

The particular ones I am dealing with relate to the telcos' annual Pole Inspection filing, which is now handled by RAD.

I have identified the following documents (currently assigned to APA) that should be transferred:

- 1) Dkt 070000-OT documents 01941-07, 04830-07, 04833-07.**
- 2) Dkt 070634-EI document 01822-09.**
- 3) Dkt 100000-EI document 01379-10.**
- 4) Dkts 060077-TL/070634-EI/070635-TL document 01822-09.**
- 5) Dkt 080000-OT document 01610-08.**

6/30/2011

6) Dkt 110000-OT document 01401-11.

Please let me know if this will suffice to accomplish this transfer from APA to RAD, or what else needs to be done.

Thanks

Complaint: Improper Billing against Florida Power & Light Company

Details:

Complaint #987624E. I reviewed your letter dated 5/5/2011, Once again I am aware off all the charges , and all the payments and the payments that were returned. Somehow some where the PSC does not seem to comprehend the issue, The payments have nothing to do with the fact the I was over billed 164.09 since meter #ACD3122 was tampered with, at no time did FPL conducted a test on that meter cause FPL is smart they replaced this meter with the new meter in Jan when they replaced every single meter in this complex knowing that I have been complainin about this issure with the OLD meter since Oct, knowing the FPL had overcharged me and probably others in this complex knowing that the old meters were tampered with , and what a concidence meter # ACD3122 was thrown away by FPL, and that is the meter that is in question , so have FPL locate this meter in question and have them test it it is not my concern or my problem what they have to do, I have already contacted the Federal Trade Commission in Washington DC and they are awaiting a response from me to see what FPL plans on doing with this meter issue that they threw away without being tested, so they can proceed with an investigation, I will also be contacting the Governors office here is FL to advise them that the matter with FPL and the PSC is still going on and that nothing has been solved except for payments that have been made on the account and returned payments that have nothing to do with the overage on the meter I was over cahrged of 164.09 . So I guess you have you and FPL have your work cut out for you in locating meter #ACD3122 and ave it tested since they threw it away knowing that I had complaint about this meter and needed it tested. So my dispute is still opne for 164.09 and will be considered resolved once this meter in question has been located and tested NOT MY PROBLEM what FPL has to do .

PSC was contacted previously

Subject: 12/21/10 letter - Escambia Gas Producers

Robert,

i had left a message on Friday with you and just wanted to follow up with an e-mail. The Clerk's Office received a letter dated 12/21/10 from Gary S. Quantock/Escambia Gas Producers to DOT/Washington DC informing them that the company has abandoned their complete gas system in Cantonment (Florida ID No. 31200).

Please advise as to what the Clerk's Office needs to do with this letter, or if we need to forward the letter to a different Division in the Commission.

Thanks,

Marguerite.
