INTEREXCHANGE TELECOMMUNICATIONS SERVICES TARIFF

6. BUSINESS SERVICES (Continued)6.1 Message Telecommunications Services (MTS) (Continued)6.1.1 Solutions Service (Continued)E. Bundled Block of Time (6WY, 5LM)

Bundled Block of Time offers small business customers a block of minutes for a flat monthly fee. This block of minutes can be used for direct dial outbound long distance voice services in the interstate and intrastate jurisdictions. Block minutes cannot be applied to EMBARQ Calling Card, Operator or Switched Data Service ("SDS") or international usage. Each customer may purchase only one block of minutes per month. Customers must also subscribe to companion interstate service.

A per minute overage rate applies for all usage in excess of the block minutes. Block minutes that have not been used at the end of the Customer's billing cycle will not carry over to the next month.

To be eligible for Bundled Block of Time, the Customer must subscribe to one of the following services: 1) any Embarq LOC T-1 based service, including services such as ISDN-PRI, Digital Trunking Service, and Integrated T-1; or 2) the Embarq LOC Multiline Bundle.

Bundled Block of Time minutes may be shared among voice channels within a T-1 facility (up to 24 voice channels), and may be shared between Multiline Bundles (up to 24 lines) at a single location that are billed under a single account. A separate monthly recurring charge will apply for each T-1 facility subscribed to Bundled Block of Time, whether at the same or different locations, and for Multiline Bundles at different locations.

The Bundled Block of Time rates will apply as long as the Customer subscribes to a qualifying service. Customers who discontinue the qualifying service(s) will no longer be eligible to subscribe to the Bundle Block of Time service and will be switched, upon notice, to Block of Time for Small Business as set forth in Section 6.1.1D. of this Tariff.
