RE: TJ402, TDS Long Distance Corporation –Add Dedicated MPLS-VPN Service

Dear Ms. Salak:

Enclosed are the following tariff sheets:

Check Sheet	Fourteenth Revised Sheet 2
Section 3	First Revised Sheet 18.1
Section 4	Second Revised Sheet 21.1
	Original Sheets 21.2 & 21.3

The purpose of this filing is to add Dedicated MPLS-VPN Service to the tariff. Dedicated MPLS-VPN Service is a packet-switched network that provides a point-to-point or multi-point service arrangement for customers requiring special high bandwidth data applications. This service is offered with various transport speeds ranging from 1.5 Mbps to 1 Gbps from one customer premise location to another customer premise location or multiple locations within the state. With this filing we are also taking care of some other miscellaneous tariff cleanup.

The red-lined tariff pages are also included with this filing.

The proposed effective date for this filing is December 15, 2009.

If you have any questions, please call me at (608) 664-4186.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kris A. Groth", with a long, sweeping flourish extending to the right.

Kris A. Groth
Tariff Administrator
Kris.groth@tdstelecom.com

CHECK SHEET

The Sheets listed below, which are inclusive of this tariff, are effective as of the date shown at the bottom of the respective sheet(s). Original and revised sheets as named below comprise all changes from the original tariff and are currently in effect as of the date of the bottom of this page.
