Re: Granite Telecommunications, LLC, TX685, 2018 FCC USF/ICC Transformation Order/47 C.F.R. §51.911(c) Courtesy Compliance Notification

Dear Mr. Bates:

Pursuant to Sections 51.911(c) and 61.26 of the Federal Communications Commission's rules, 47 C.F.R. §§51.911(c) and 61.26, Granite Telecommunications, LLC ("Granite") submits to the Florida Public Service Commission this annual Letter of Compliance.

Granite will comply with the above cited regulations by setting its Florida intrastate terminating access rates at parity with those of the price-cap incumbent local exchange carriers in its operating territory as cited in the Company's Florida access price list, Florida P.S.C. Price List No. 2, effective July 1, 2018. Granite adopts the corresponding incumbent local exchange carrier interstate terminating access rates set forth in Granite's amended Tariff F.C.C. No. 1, also effective July 1, 2018. The Company's interstate F.C.C. Tariff No. 1 may be viewed at <https://apps.fcc.gov/etfs/public/tariff.action?idTariff=442>. This submission is Granite's final annual compliance submission to the Commission pursuant to Section 51.911 of the FCC's rules, unless Section 51.911 or Bell South Telecommunications, LLC's interstate terminating access rates are subsequently amended.

Thank you for your attention to this matter. Questions concerning may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
