MULTIPHONE LATIN AMERICA, INC. has requested cancellation of Certificate No. 8659, effective December 18, 2023. The certificate holder has complied with Section 364.335(3), Florida Statutes, by providing the Florida Public Service Commission notice in writing of its request for voluntary cancellation of its certificate.

This includes the obligation to pay any penalty and interest that may be due for the current year. Failure to pay the amounts owed to the Florida Public Service Commission will result in the Company's fees, penalties and interest being sent to a collection agency.

Pursuant to Section 2.07.C.5.f., Administrative Procedures Manual, the voluntary cancellation is acknowledged and the docket should be closed.

Subject: Confirmation of Certificate Cancellation Request

TX901
Cert # 8659

Dear Mr. Humberto Itriago and Mr. Orlando Padron,

I hope this email finds you well. We have received a request to cancel your Competitive Local Exchange Carrier (CLEC) certificate from Karen Salas earlier this year for MULTIPHONE LATIN AMERICA, INC. Before proceeding with the cancellation process, we need to confirm that this is indeed your intention. Ms. Salas is not listed as an official contact associated with your company. You can reply to this email with a simple "Yes" to confirm your decision to cancel your certificate and a docket will be established to initiate the process.

Please note neither the cancellation of the certificate nor the failure to receive a Regulatory Assessment Fee (RAF) return notice shall relieve Company Name from its obligation to pay RAFs. This includes the obligation to pay any penalty and interest that may be due for the current year. Failure to pay the amounts owed to the Florida Public Service Commission will result in the Company's fees, penalties and interest being sent to a collection agency.

I appreciate your cooperation in this matter. If you have any questions or concerns, feel free to reach out to me.

Best regards,

Greg Fogleman

Dear Sir or Madam:

Section 364.386, Florida Statutes, requires the Commission to gather data from the telecommunications industry to prepare its annual report to the Florida Legislature on telecommunications competition. The attached data request will help us evaluate the status of local competition in Florida. Please note that the bulk of the request now simply requires the

submission of a copy of your company's Form 477 with the most current calendar year data as submitted to the FCC by March 1, 2023.

Please respond to the data request concurrently with your filing at the FCC, or as soon thereafter as practicable, but in no event later than April 17, 2023, as established by Section 364.386(1)(b), Florida Statutes. The data request has been updated for the 2023 Local Competition Report and previous versions of the data request should not be used. If you were not providing local non-VoIP services as of December 31, 2022, please indicate this on the data request questionnaire.

Responses for which you are claiming confidentiality must be filed with the Office of Commission Clerk together with a statement that you are making a confidentiality claim. Instructions for filing the information confidentially are posted on the Commission website at [https://www.floridapsc.com/pscfiles/website-files//PDF/Utilities/Telecomm/LocalCompetition/Confidential Claim Instructions.pdf](https://www.floridapsc.com/pscfiles/website-files//PDF/Utilities/Telecomm/LocalCompetition/Confidential%20Claim%20Instructions.pdf).
