In order to avoid confusion and in order to reduce administrative handling problems in this active and continuing docket on fuel cost recovery, we are establishing a new docket number for the calendar year 1989. Beginning January 3, 1989, Fuel and Purchased Power Cost Recovery Clause with Generation Performance Incentive Factor will be identified as Docket No. 890001-EI.

The establishment of a new docket number is for administrative convenience only and the Commission retains its continuing jurisdiction over matters considered in previous fuel cost recovery dockets.

New docket numbers will be used by all parties on the effective date of January 3, 1989, and thereafter. Intervenor will remain as parties to this docket unless they notify the Division of Records and Reporting in writing of their withdrawal. Additionally, all pre-filed testimony shall be in the appropriate form as outlined in Rule 25-22.048(4), Florida Administrative Code. It is, therefore,
