NOTICE OF PROPOSED AGENCY ACTIONORDER GRANTING CERTIFICATE

BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

Centres Communications Group, Inc. (Centres) initially filed an application on September 6, 1988, for authority to provide shared tenant services (STS) to the Ashley Tower complex located at 100 South Ashley Drive, Tampa, Florida. The application, as filed, clearly did not comply with the prerequisites of certification in Rule 25-24.471, Florida Administrative Code. Our Staff requested that Centres file a proper application which it did on October 14, 1988.

On October 18, 1988, a letter was received from Shared Network Technologies, Inc. (ShareNet) informing our Staff that it had entered into an agreement with Centres to assign all of ShareNet's rights and obligations relating to the provision of STS service at the Ashley Drive address referenced above. ShareNet operates under Certificate of Public Convenience and Necessity No. 554 to provide IXC service at this address. The October 18th letter indicated that the transaction was effective on October 1, 1988. Centres began operation of the system and provision of service as of that date also.

Centres' application, as amended, contained the required background information and the tariff proposed by Centres. In that Centres holds certificates to provide interexchange in the State of Florida, we are satisfied that it is financially stable and capable of providing service. Therefore, we find that it is in the public interest to grant Centres authority to provide STS at Ashley Tower.

Notwithstanding this finding, we feel it necessary to express our concern over Centres' operation at this address without first obtaining our approval. Thus, we will also request, in a separate order, that Centres show cause why it should not be fined.
