ORDER CLOSING DOCKET

BY THE COMMISSION:

Utilities, Inc., of Florida applied for a staff-assisted rate case for its Trailwood system on October 10, 1988. We accepted its application. The application was filed because the water and sewer rates for Trailwood are lower than the rates charged by the other Orange and Seminole County systems owned by Utilities, Inc., and the rate structure is different. The utility wanted to adjust Trailwood's rates to bring them into line with the rates of its other systems in Orange and Seminole Counties.

On January 17, 1989, we received a request from Utilities, Inc. to allow it to withdraw its application for a staff-assisted rate case in this docket. Instead, the utility now proposes to pursue this rate increase for its Trailwood system in a limited proceeding. We find the utility's request to be appropriate and hereby approve its request for withdrawal of its application for a staff-assisted rate case.

We also find it appropriate to close this docket. Any subsequent application by the utility will be processed in a new docket.

Based on the foregoing, it is therefore

ORDERED by the Florida Public Service Commission that the request for withdrawal of Utilities, Inc.'s application for a staff-assisted rate case for its Trailwood system is hereby granted. It is further

ORDERED that this docket be closed.

By ORDER of the Florida Public Service Commission,
 this 23rd day of MARCH, 1989.
