ORDER GRANTING EXTENSION  
OF TIME

BY THE COMMISSION:

By Order No. 20067, issued September 26, 1988, the Commission dismissed the objection to Mad Hatter Utility, Inc.'s, (Mad Hatter or utility) notice of intent to extend its service area in Pasco County. Mad Hatter requested and was given until April 30, 1989 to construct within the noticed area. On April 3, 1989, Mad Hatter filed a Petition for an Extension of Time to April 30, 1990 in which to construct. The basis of the request is that although the utility has made significant progress toward the extension of service, it has been unable to commence construction of the wastewater treatment facilities to serve a portion of the noticed area because of litigation over a zoning matter. In a case pending in Circuit Court, the zoning and special exception obtained by the utility for its subregional wastewater treatment plant at its Lake Thomas site is being challenged.

No filing in opposition to the Petition has been received.

Upon consideration, we find that Mad Hatter has shown good cause for an extension of time and thus the request is granted.

Since there is no further action to be taken in this docket, it may be closed.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the Petition for an Extension of Time to April 30, 1990, filed by Mad Hatter Utility, Inc. is hereby granted. It is further

ORDERED that this docket is hereby closed.
