BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

By letter dated February 21, 1989, American Telenet Systems, Inc. (American), requested the cancellation of its Certificate of Public Convenience and Necessity No. 2181. American represents that it is no longer conducting any business operations as an operator assisted long distance company and does not intend to conduct any such operations in the future. American stated that it has notified each of its customers of the discontinuance of service and that all customer accounts were assumed by Telesphere International. American has further represented that it never took any customer deposits in Florida and that no credits of any type are due to its customers. American has surrendered its certificate to us and has paid all regulatory assessment fees due this Commission. Accordingly, we propose to grant the request by American to cancel its certificate.

This docket will be closed following expiration of the period specified in this Order unless an appropriate petition for hearing, protesting cancellation of a specific certificate, is filed by one whose substantial interests may or will be affected by this proposed agency action, as provided by Florida Administrative Code Rules 25-22.029 and 25-22.036 (7)(a).

It is, therefore,

ORDERED by the Florida Public Service Commission that the request of American Telenet Systems, Inc. for the cancellation of Certificate No. 2181 is hereby approved. It is further
