BY THE COMMISSION:

On March 16, 1988, Marion Utilities, Inc. (Utility) filed an application with the Commission to amend its Certificate No. 347-W to include additional territory in Marion County, Florida, pursuant to the provisions of Section 367.061, Florida Statutes.

On September 12, 1988, Marion Utilities, Inc. notified certificated utilities and appropriate governmental agencies in Marion County of its intention to amend its Certificate to include the territory described in Appendix A, attached to this Order. Proof of Notification has been furnished by the Utility.

Notice of the Utility's intent to extend its service area was published in The Ocala Star-Banner, a newspaper of general circulation, published in Marion County, Florida, on September 17 and 24, and October 1, 1988. No protests to this application were received within the prescribed time period.

The appropriate filing fee has been paid, and the Utility is ready, willing and able to provide service in the territory for which it has applied.
