ORDER CLOSING DOCKET

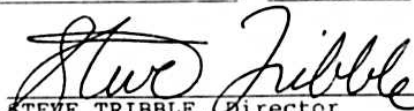

BY THE COMMISSION:

St. Johns North Utility Corporation (SJN or the utility) filed a Notice of Intent to amend its water and sewer certificates in St. Johns County on August 4, 1988. Pursuant to Rule 25-30.030, Florida Administrative Code, notice of intent to file an application to amend a water or sewer certificate pursuant to Section 367.041, Florida Statutes, must be provided no earlier than six months prior to the filing of the application itself. Therefore, SJN's notice expired on January 31, 1989. In addition, by Order No. 20580, issued January 10, 1989, the Prehearing Officer suspended all activity in this docket until an application was filed or until the utility's notice expired. Since no application has been filed and the six months' period has expired, we find it appropriate to close this docket. Of course, closing this docket does not prejudice the utility's right to re-notice its intent to apply for any territory.

Based on the foregoing, it is, therefore

ORDERED by the Florida Public Service Commission that this docket is hereby closed.

By ORDER of the Florida Public Service Commission
 this 19th day of MAY, 1989.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by the Commission's final action in this matter may request: 1) reconsideration of the decision by filing a motion for reconsideration with the Director, Division of Records and Reporting within fifteen (15) days of the issuance of this order in the form prescribed by Rule 25-22.060, Florida Administrative Code; or 2) judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or the First District Court of Appeal in the case of a water or sewer utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days after the issuance of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
