ORDER ACKNOWLEDGING WITHDRAWAL OF
 EXEMPTION REQUEST AND CLOSING DOCKET

BY THE COMMISSION:

Oak Hill Hospital (Hospital) proposed building an interim wastewater treatment plant to service its office buildings until Hernando County could provide service. Pursuant to Section 367.031, Florida Statutes, before the Department of Environmental Regulation (DER) will issue a construction permit, it requires either a certificate authorizing service or proof that the utility is not subject to the regulation of this Commission. Therefore, on April 17, 1989, the Hospital filed a request for exemption from Commission regulation.

Subsequently, the Hospital learned that Hernando County would be able to provide the office building with wastewater service, and that it no longer needed to construct the interim facility. Therefore, the Hospital asked to withdraw its request for exemption from Commission regulation.

Accordingly, we hereby acknowledge the withdrawal of the subject exemption request. There being no further action to take in this docket, it may be closed.
