ORDER ACKNOWLEDGING PRICE INDEX RATE ADJUSTMENT

BY THE COMMISSION:

On July 25, 1989, Forest Utilities, Inc. (Utility) notified this Commission of its intention to increase rates to its customers in Lee County by application of the price-indexing provisions of Section 367.081(4)(a), Florida Statutes, and Rule 25-30.420, Florida Administrative Code.

By Order No. 20972, issued by this Commission on March 31, 1989, in Docket No. 890005-WS, the rates of water and sewer utilities are subject to adjustment as a result of the application of the price index to certain utility operation and maintenance costs. The indexing factor is 4.35 percent.

After review of the indexing filing, we find that it meets the Commission's requirements, as set forth in Rule 25-30.420, Florida Administrative Code. In compliance with Rule 25-30.420(6), Florida Administrative Code, the Utility advised us that it will provide notice to its customers prior to the effective date of the rates, informing them of the impending rate adjustment and explaining that the increase is due to the application of the price index to certain operation and maintenance expenses.

Applying an increase factor of 1.0308 to the existing rate schedules results in increased sewer revenues of \$10,689. The schedule of our computation is as follows:

1989 Price Index Application
Test Year Ended December 31, 1988

	<u>Water</u>
1988 Operation and Maintenance Expenses	\$ 271,609
Less: (1) Pass-through Item: Purchased Power	(31,136)
