ORDER AMENDING CERTIFICATES TO INCLUDE
ADDITIONAL TERRITORY AND CLOSING DOCKET

BY THE COMMISSION:

On July 13, 1989, General Development Utilities, Inc. (GDU or Utility) filed an application with this Commission for amendment of its certificates to include two separate areas of territory, a school site and residential territory. On September 7, 1989, this Commission issued order No. 21850, amending Certificates No. 370-W and 320-S to include the school site. That Order also directed the Docket to remain open until the residential area portion of the application was complete.

Since the utility has now installed the lines in the residential area, and since, as stated in Order No. 21850, the application is in compliance with statutory requirements, we find that it is in the public interest to amend Certificates Nos. 370-W and 320-S to include the following territory :

Township 16 South, Range 23 East.

In Section 4

All those lots and Tracts lying in the North 1/2 of Land Section 4 bounded on the North by the North Section line of said Section 4 and fronting on Hickory Loop, Bahia Trace Course, and Hickory Loop Way.

In Section 33

All those lots and Tracts lying in the South 1/2 of Land Section 33, South of Bahia Trace and lying Easterly of Bahia Trace Course; also all the lots fronting on the Westerly right of way of Bahia Trace Course.

It is, therefore,

ORDERED by the Florida Public Service Commission that Certificates No. 370-W and 320-S, held by General Development
