FINAL ORDER RESOLVING SHOW CAUSE PROCEEDINGS

BY THE COMMISSION:

Rule 25-24.520, Florida Administrative Code, requires certificated PATS providers to file an annual report by January 31st of the following year. Orders requiring each of the PATS providers cited below to show cause why they should not be fined \$250 or, in the alternative, face cancellation of their certificates were issued in May, 1991. The companies being considered here filed annual reports after the deadline for filing their 1990 reports and after the commencement of these show cause proceedings. Apparently these late filings were in response to the respective show cause orders.

We believe that a late filed report without anything more is inadequate both as compliance with Rule 25-24.520 and as a response to a show cause order. We have adopted the position that timely filing is an essential element of the annual report requirement. We also maintain that a late filed annual report does not contain specific arguments of either fact or law and therefore fails to rise to the standards required for an adequate response to a show cause order. Essentially, such filings fail as a response and constitute a default and a waiver of all rights to a formal hearing.

We find it appropriate to levy the fine proposed in the show cause orders or permit these PATS providers to voluntarily cancel their certificates. In the event any of the cited PATS providers fail to respond to this Order, that provider's certificate shall be canceled and the dockets administratively closed.

Based on the foregoing, it is, therefore,

ORDERED by the Florida Public Service Commission that each of the PATS providers cited above shall pay a \$250 fine within 30 days of the date of this Order for violation of Rule 25-24.520, Florida Administrative Code. It is further

ORDERED that the docket associated with any provider that elects to pay the fine shall be closed upon receipt of the fine. It is further

ORDERED that if any PATS provider elects to cancel its respective certificate, the fine for that PATS provider shall be waived. It is further

ORDERED that any PATS provider electing to cancel its certificate shall still be liable for 1991 Regulatory Assessment Fees. It is further

ORDERED that if any PATS provider fails to either pay the aforementioned fine or request cancellation within 30 days of the date of this Order, that provider's certificate shall be canceled and the docket closed.

By ORDER of the Florida Public Service Commission, this 26th day of AUGUST, 1991.

Division of Records and Reporting
