ORDER ACKNOWLEDGING CORPORATE REORGANIZATION,
CANCELING CERTIFICATE NO. 349-W, TRANSFERRING
CERTIFICATE NO. 305-S, AND AMENDING CERTIFICATE NO. 410-W

BY THE COMMISSION:

Utilities, Inc. of Florida (UIF) is a Class A utility, authorized to provide water and wastewater services to various counties in Florida. According to its 1990 financial statement, UIF realized gross annual revenue of \$1,198,948 and a net operating income of \$74,551.

By Order No. 19445, issued June 6, 1988, we approved the transfer of stock of Crownwood of Ocala Utility Company, Inc. (Crownwood) to UIF. At that time, Crownwood's certificates were in the name of Crownwood of Ocala, Inc., Crownwood's parent company, instead of Crownwood's name. At UIF's request, we approved the transfer of the certificates from Crownwood of Ocala, Inc. to Crownwood of Ocala Utility Company, Inc. As a result of the transfer, Crownwood became a wholly-owned subsidiary of UIF.

On June 15, 1988, Crownwood merged with UIF. However, this Commission was notified aware of the merger in 1991, and on June 10, 1991, UIF submitted a copy of Crownwood's Articles of Merger along with a petition for acknowledgement of its corporate reorganization.

UIF states that reorganization will not affect the rates and charges, the management, the operations or the customer service provided by UIF. Upon consideration of the facts as presented, we hereby acknowledge UIF's corporate reorganization. We, therefore, amend UIF's Certificate No. 410-W to include the territory formerly served by Crownwood, and cancel Crownwood's Certificate No. 349-W. In addition, we transfer Crownwood's Certificate No. 305-S to UIF.

UIF shall return the certificates and revised tariff sheets incorporating the Crownwood systems into UIF's tariffs to this Commission within thirty days of the date of this Order. Our staff shall review the revised tariff sheets, and if accurate, shall approve the tariff filing effective for services provided or connections made after the stamped approval date. Crownwood's water and wastewater tariffs will be canceled accordingly.

It is, therefore,

ORDERED by the Florida Public Service Commission that the corporate reorganization of Utilities, Inc. of Florida is hereby acknowledged. It is further

ORDERED that Utilities, Inc. of Florida shall return Certificates Nos. 410-W, 305-S, and 349-W, to this Commission within thirty days of this Order, so that we may amend Certificate No. 410-W to include the territory formerly served by Crownwood of Ocala Utility Company, Inc., transfer Certificate No. 305-S to Utilities, Inc. of Florida, and cancel Certificate No. 349-W. It is further
