ISSUED: 5/19/92

ORDER GRANTING PETITION TO INTERVENE

BY THE COMMISSION:

By Petition filed May 13, 1992, Harris Corporation by and through its attorney, Dennis Erdley, Esquire, requests leave to intervene in this proceeding. In support of its Petition, Harris Corporation states that it has been a customer of General Development Utilities, Inc. (GDU), Port Malabar Division, since the early 1960's and will be substantially affected by the rate increase for which GDU has applied. No response in opposition to the Petition has been filed.

Having reviewed the Petition, it appears that the Harris Corporation's substantial interests may be affected by this proceeding. Therefore, the Petition should be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, the Harris Corporation takes the case as it finds it.

It is, therefore,

ORDERED by the Florida Public Service Commission that the Petition to Intervene filed by Harris Corporation is hereby granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents that are hereinafter filed in this proceeding, to Dennis R. Erdley, Environmental Attorney, Harris Corporation, Melbourne, Florida 32919.

By ORDER of the Florida Public Service Commission, this 19th day of     MAY    ,     1992    .

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: 1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; 2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or 3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy.
