ORDER ON FPC'S REQUEST FOR CONFIDENTIAL TREATMENT
OF ITS REVISED FORM 423-2B FOR DECEMBER, 1991

BY THE COMMISSION:

Florida Power Corporation (FPC) filed with the Commission (Document No. 2828-92) on March 23, 1992, a revised FPSC Form 423-2B (Transfer Facility IMT) of Attachment C to its request for specified confidential treatment that it filed on February 17, 1992, regarding its Form 423 filing for the month of December, 1991. The original request (Document No. 1757-92) had been granted by Order No. PSC-92-0011-PCO-EI issued on March 9, 1992.

In its revised request, FPC asks for the information contained in the same lines as in its original request to be treated as confidential. Since, essentially, FPC merely substitutes numbers on its revised form, for the reasons stated in the original order, we approve the revised request.

Also, with regards to declassification, the revised request will be declassified in accordance with the dates of the original order.

In consideration of the foregoing, it is

ORDERED that the information Florida Power Corporation seeks to protect from public disclosure on its revised December, 1991, FPSC Form 423-2B (Transfer Facility IMT) identified in Document No. 2828-92 (replacing the original in Document No. 1757-92) is confidential and shall continue to be exempt from the requirements of Section 119.07(1), Florida Statutes. It is further

ORDERED that the declassification date for the revised document will be in accordance with the date given for the original request as issued by Order PSC-92-0011-PCO-EI.

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy.
