ORDER GRANTING WAIVER

BY THE COMMISSION:

AT&T Communications of the Southern States (ATT-C) has a tariff to waive the nonrecurring initiation of service charge of \$10.00 for its Reach out Florida promotion, for the three full months of July, August, and September, 1992, a period of 92 days. Since the promotional time period exceeds the 90-day limit provided by Rule 25-24.485(1)(i), Florida Administrative Code, ATT-C also seeks a waiver of the rule. ATT-C states that allowing this promotion to run the three month period would reduce potential customer confusion as to the duration of the promotion period. We concur and waive Rule 25-24.485(1)(i) for the period to allow ATT-C to run the promotion for three full months.

This tariff shall become effective July 1, 1992.

It is therefore

ORDERED by the Florida Public Service Commission that the request for AT&T Communications of the Southern States for waiver of the nonrecurring initiation of service charge for Reach Out Florida is hereby granted, for the three months of July, August, and September, 1992. It ikls further

ORDERED that if a protest is filed in accordance with the requirement set forth below, the tariff shall remain in effect with any increase in revenues held subject to refund pending resolution of the protest. It is further
