ORDER INDICATING NONJURISDICTIONAL STATUS  
OF JOHNNY'S RESTAURANT AND CLOSING DOCKET

BY THE COMMISSION:

On October 8, 1992, Johnny's Restaurant filed an application with this Commission for recognition of nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Johnny's Restaurant is located at 7180 South US No. 1 in Port St. Lucie, Florida. Mr. George Stamatogianes, Owner, filed the application on behalf of Johnny's Restaurant.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. According to the application, water is provided only to the restaurant, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by Vista St. Lucie, which is a condominium association.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

In addition, the application form states that pursuant to Section 837.06, Florida Statutes, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Stamatogianes acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

DOCKET NO. 921031-WU

Since, based on the facts as represented, Johnny's Restaurant will not be providing water service to the public for compensation, we find that it is not a utility pursuant to Section 367.021(12), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of Johnny's Restaurant or any successors in interest, must inform the Commission within 30 days of such change so that we may review the matter to determine whether nonjurisdictional status is still appropriate.

It is, therefore,

ORDERED by the Florida Public Service Commission, that based upon the facts as represented, Johnny's Restaurant, 7880 South US No. 1, Port St. Lucie, Florida 34952, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Johnny's Restaurant or any successors in interest, shall inform this Commission within 30 days of such a change so that we may re-evaluate the Restaurant's nonjurisdictional status. It is further

ORDERED that Docket No. 921031-WU is hereby closed.

By ORDER of the Florida Public Service Commission this 8th day of December, 1992.
