ORDER INITIATING INVESTIGATION INTO APPROPRIATE
RATE SCHEDULE FOR HOME-BASED BUSINESSES

BY THE COMMISSION:

Application of the residential rate (RS) to home-based businesses was discussed in Docket No. 931199-EI. Upon consideration, we direct the Commission staff to initiate an investigation. A docket has been opened (Docket No. 940204-EU).

An informal staff workshop shall be scheduled to allow all interested parties an opportunity to voice their concerns and help develop any changes that are determined to be desirable. An informal staff workshop will provide the best forum for initial discussions, although it may be appropriate at a later date to conduct a Commission workshop. All the investor-owned utilities shall participate in the workshop. Also, we shall invite the Department of Revenue and the Department of Health and Rehabilitative Services to participate in the workshop. At the conclusion of the investigation, staff shall submit a recommendation to the Commission.

It is therefore

ORDERED by the Florida Public Service Commission that the Commission staff shall open an investigation into the appropriate rate schedule for home-based businesses. All investor-owned utilities shall participate in the staff workshop.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy.
