ORDER INDICATING NONJURISDICTIONAL STATUS
OF KINEMATICS CORPORATION AND CLOSING DOCKET

BY THE COMMISSION:

On March 30, 1994, Kinematics Corporation (Kinematics) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Kinematics is located at 440 Broad Street, Masaryktown, Hernando County, Florida. Mr. Larry E. Dodson, Vice President and primary contact person, filed the application on behalf of Kinematics.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code. According to the application, water service is provided only to 440 Broad Street, Masaryktown, Florida, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Dodson acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Kinematics is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Kinematics is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, the owner of Kinematics or any successors in interest must inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Kinematics Corporation, 440 Broad Street, Masaryktown, Florida 34609, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Kinematics Corporation or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate Kinematics' nonjurisdictional status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 19th day of April, 1994.
