ORDER DEFERRING DECISION REGARDING COUNTYWIDE CALLING  
WITHIN NASSAU COUNTY

BY THE COMMISSION:

This docket was initiated pursuant to Resolution No. 94-15 filed by the Nassau County Board of County Commissioners requesting countywide calling within Nassau County. BellSouth Communications, Inc. d/b/a Southern Bell and Telegraph Company (Southern Bell) serves the Fernandina Beach, Baldwin and Yulee exchanges. The Callahan and Hilliard exchanges are served by ALLTEL Florida, Incorporate (ALLTEL). All of these exchanges are located within the Jacksonville LATA.

During the May 3, 1994 agenda conference, we were asked to consider these issues: 1) whether the calling rates on any of the Nassau County toll routes considered in this docket qualify for a survey for nonoptional, flat rate, two-way extended area service (EAS) and 2) whether any alternative plan should be offered on the toll routes considered in this docket.

We are currently reviewing EAS problems in Docket No. 930220-TL. Therefore, we will defer the issues in this docket until after the conclusion of Docket No. 930220-TL.

Based on the foregoing, it is

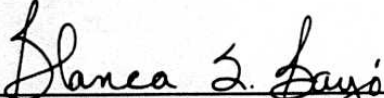

ORDERED by the Florida Public Service Commission that decisions in this docket regarding countywide calling are hereby deferred until after the conclusion of Docket No. 930220-TL. It is further

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
