NOTICE OF PROPOSED AGENCY ACTION
ORDER CANCELLING IXC CERTIFICATE NO. 2224 AND TARIFF

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding in accordance with Rule 25-22.029, Florida Administrative Code (F.A.C.).

On February 2, 1994, we received notice from our Division of Records and Reporting that mail sent to Network Solutions, Inc. was being returned. On May 16, 1994, we discovered that the company's telephone had been disconnected.

As required in Rule 25-24.480 (3)(a)(b), F.A.C., each company is allowed 10 days to file updated information indicating any change in the certificate holder's address (including street name and address, post office box, city), telephone number and any change in the name and address of the individual who is serving as primary liaison with the Commission.

Rule 25-25.474, Florida Administrative Code, establishes the requirements for cancellation of a interexchange telephone company (IXC) certificate. The rule provides for the Commission to cancel a certificate on its own motion for violation of Commission Rules and Orders.
