ORDER CLOSING DOCKETS

BY THE COMMISSION:

At the July 5, 1994, Agenda Conference we considered whether the named companies should be ordered to show cause why they should not be fined for failing to separately list pay per call charges and specifying that such charges are nonregulated in violation of Rule 25-4.110(10), Florida Administrative Code. After hearing from the parties, we concluded that there are numerous related issues that need to be explored further. Therefore, we decided not to issue Show Cause Orders, but rather, close the dockets and launch a generic investigation into billing of pay per call services and these related issues.
