ORDER GRANTING MOTION
FOR PROTECTIVE ORDER

On December 9, 1994, Hillsborough County (Hillsborough or the County) served its first set of interrogatories and first request for production of documents upon Southern States Utilities, Inc. (SSU), in the above-styled cause. On December 19, 1994, SSU filed an objection to Hillsborough's discovery requests and a motion for a protective order therefrom. The County did not respond to SSU's objection and motion and the time for doing so has expired.

The County's discovery requests all concern alleged breaks in, or cavitations near, SSU lines in Hillsborough County. SSU argues that such information is neither relevant to the jurisdictional matters at issue in this proceeding nor reasonably calculated to lead to the discovery of admissible evidence. In support of its argument for a protective order, SSU cites Krypton Broadcasting v. MGM-Pathe Communications Co., 629 So.2d 852, 854, (Fla. 1st DCA 1994), which states that "[i]t is axiomatic that information sought in discovery must relate to the issues involved in the litigation...." SSU further cites Cazares v. Calderbank, 435 So.2d 377 (Fla. 5th DCA 1983), for the proposition that, if a logical connection between the information sought and the issues is not readily apparent, the questioner should point out to the court how the information sought is reasonably calculated to lead to the discovery of admissible evidence.

Upon review of the discovery requests, it is not readily apparent, and the County made no attempt to illustrate, how the information is reasonably calculated to lead to the discovery of admissible evidence. SSU's motion for a protective order is, therefore, granted.

It is, accordingly,

ORDERED by Commissioner Julia L. Johnson, as Prehearing Officer, that the motion by Southern States Utilities, Inc. for an

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
