In October, 1994, mail sent to Central Florida Communications, Inc. disconnected. Neither company nor the company liaison had a listing in directory assistance.

Rule 25-24.520, Florida Administrative Code, requires a pay telephone company to inform this Commission within 10 days if there is a change in the company name, its address, its telephone number, or its Commission contact person. By failing to inform this Commission of changes in address and telephone number, CFC and Suntel are in apparent violation of Rule 25-24.520, Florida Administrative Code.

Accordingly, we order each company to pay a \$100 fine and provide the Commission with the information required by Rule 25-24.520, Florida Administrative Code, within 30 days of the date this Order becomes final. When a company complies, that docket will be closed. If either company fails to comply with this Order, its certificate will be cancelled and that docket will be closed. A protest by one of the companies in its docket will not prevent this Order from becoming final with respect to the other docket.

If either company's certificate is cancelled, the appropriate local exchange companies are directed to discontinue service to all pay telephones operated by that company.

It is, therefore,

ORDERED by the Florida Public Service Commission that the companies listed in the caption of this Order pay a \$100 fine and provide the Commission with the information required by Rule 25-24.520, Florida Administrative Code, within 30 days of this date this Order becomes final. It is further
