ORDER INDICATING EXEMPT STATUS OF HARBOR INDUSTRIAL  
CONDO ASSOCIATION

BY THE COMMISSION:

On December 23, 1994, Harbor Industrial Condo Association (Harbor or utility) applied for a nonprofit association exemption for its water and wastewater facility, pursuant to Section 367.022 (7), Florida Statutes. The water and wastewater system is located at 23440 Janice Avenue, Charlotte Harbor, Florida 33980. Mr. Fred McGready, the president and primary contact person, filed the application on behalf of the utility.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of a water system, wastewater system, or both, if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(7), Florida Statutes.

Section 367.022(7), Florida Statutes, states that nonprofit corporations, associations, or cooperatives providing service solely to members who own and control such nonprofit entities are exempt from Commission regulation. Before an exemption of this nature may be granted, the applicant requesting the exemption must file with the Commission a statement specifying the following: that the corporation is nonprofit, i.e., providing service solely to its members who own and control it; whether it provides water service, wastewater service, or both; who will do the billing; and it must provide its service territory. Additionally, the applicant must submit its Articles of Incorporation and Bylaws as filed with the Secretary of State. These documents must show clearly the requirements for membership, the members' voting rights, and the circumstances under which control passes to the non-developer members.

In its application, Harbor stated that it is a nonprofit corporation organized pursuant to Chapters 617 and 718, Florida Statutes; that it provides service solely to its members who own and control it; and that it provides water and wastewater service for which it provides its own billing. The utility's service area is 23440 Janice Drive Avenue, Charlotte Harbor, Florida 33980. Harbor has attached its Articles of Incorporation and Bylaws showing the requirements for memberships and that the members' voting rights are one vote per unit of ownership. Control of the corporation has already passed to the members of the condominium. Harbor has provided a recorded Declaration, stating that it owns the land where the facilities are located. In addition, Harbor has provided recorded copies of the mortgagees joining in Harbor's Declaration, showing that Harbor has purchased and owns the water and wastewater facilities, thereby, establishing proof of its ownership of the facilities and continued use of the land where the facilities are located.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Harbor acknowledged that it is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based upon the facts as represented, we find that Harbor is exempt from Commission regulation pursuant to the provisions of Section 367.022(7), Florida Statutes. However, should there be any change in circumstances or method of operation, a representative of Harbor must inform the Commission within thirty days of such change, so that we may reevaluate its exempt status.

Based on the foregoing, it is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Harbor Industrial Condo Association, 23440 Janice Avenue, Charlotte Harbor, Florida 33980, is hereby exempt from Commission regulation pursuant to the provisions of Section 367.022(7), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, a representative of Harbor Industrial Condo Association shall inform the Commission of such change so that its exempt status may be reevaluated. It is further

ORDERED that this docket shall remain open.
