ORDER EXTENDING FILING DATE OF BRIEFS AND
STATEMENT OF ISSUES AND POSITIONS

On February 15, 1995, Order No. PSC-95-0208-PCO-WS, was issued establishing procedure and key activities for this case. A hearing was held on May 11 and 12, 1995, in Leesberg and Mt. Dora, Florida. Order No. PSC-95-0208-PCO-WS stated that briefs should be filed on June 9, 1995. Transcripts of the hearing were scheduled to be filed on May 26, 1995.

On May 31, 1995, JJ's Mobile Homes, Inc. (JJ's) filed a Motion For an Extension of Time to File Brief and Statement of Issues and Positions. In its Motion, JJ's states that it did not receive the transcripts until May 29, 1995. JJ's avers that the reduction of time available to file its brief is substantial, and that it cannot properly prepare its documents without additional time. No objections were filed to JJ's motion.

Upon review, it appears that the transcripts were stamped and filed on May 26, 1995. However, it also appears that the parties did not receive the transcripts until May 29, 1995, and that the City of Mt. Dora had not yet received a copy of the transcripts as of May 29, 1995.

Since this Commission has been in the process of relocating offices to a new location, the delay in sending the transcripts could not be avoided. Accordingly, it is reasonable to grant an extension. Although JJ's asked for an extension until June 13, 1995, I find it appropriate to give all parties additional time to complete and file their post-hearing filings. Therefore, the parties shall have until June 16, 1995, to file their briefs and statement on issues and positions.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
