ORDER GRANTING MOTION FOR ENLARGEMENT OF TIME

On May 31, 1995, Peoples Gas System, Inc. (Peoples), filed a Petition for Leave to Intervene in the above-styled docket. On June 13, 1995, Florida Power & Light (FPL) filed a Motion in Opposition to Peoples' petition and a Memorandum of Law in support of its motion. On June 19, 1995, Peoples filed a Motion for Enlargement of Time seeking an extension of seven (7) days, until June 27, 1995, to file its response to FPL's motion.

As grounds for its Motion for Enlargement of Time, Peoples states that the above-referenced docket is one of three related dockets in which Peoples has filed substantially similar petitions to intervene. Peoples' response to FPL's motion in opposition to intervention is due on June 20, 1995, in the above-referenced docket; Peoples' response to TECO's pleadings in opposition to intervention in related Docket Number 950521-EG is due on June 28, 1995. Peoples asserts that judicial efficiency would be served by extending the filing date of its response to FPL's pleadings to June 27, 1995, thereby allowing sufficient time for Peoples to prepare one response to all of the pleadings currently filed. FPL is not opposed to Peoples request for extension of time. Accordingly, Peoples' Motion for Enlargement of Time is hereby granted. Peoples' response to FPL's Motion in Opposition to Peoples' petition to intervene shall be filed by the close of business on June 27, 1995.

It is, therefore

ORDERED by Commissioner Diane K. Kiesling, as Prehearing Officer, that Peoples Gas System Inc.'s Motion for Enlargement of Time is hereby granted. It is further

ORDERED that Peoples Gas System Inc.'s response to FPL's Motion in Opposition to Peoples' petition to intervene shall be filed no later than the close of business on June 27, 1995.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
