ORDER INDICATING NONJURISDICTIONAL STATUS OF DMB SUPPLY,
INC., A FLORIDA CORPORATION, AND CLOSING DOCKET

BY THE COMMISSION:

On May 1, 1995, DMB Supply, Inc., a Florida Corporation, (DMB Supply) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. DMB Supply is a warehouse distributor located at 1250 East Overdrive Circle, Hernando, Florida. Mr. John Vargo, Treasurer and primary contact person, filed the application on behalf of DMB Supply.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

According to DMB Supply's application, water service is provided only to its facilities located at 1250 East Overdrive Circle, Hernando, Florida, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly

making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Vargo acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that DMB Supply is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, DMB Supply is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, the owner of DMB Supply or any successors in interest, must inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, DMB Supply, Inc., Post Office Box 790, Inverness, Florida 34451, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of DMB Supply or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate its nonjurisdictional status. It is further

ORDERED that this docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 13th day of July, 1995.
