FINAL ORDER

BY THE COMMISSION:

This docket was initiated in 1993 pursuant to Chapter 364.338, Florida Statutes. This Chapter established the guidelines for determining whether a service was effectively competitive, and the regulatory treatments available once the Commission made such a determination.

By Order No. PSC-94-1286-FOF-TP, the Commission proposed that Centrex services were effectively competitive. Several parties filed a protest and request for hearing on the Commission's proposed finding.

Effective July 1, 1995, Section 364.338, Florida Statutes, was repealed. Further, the other changes to Chapter 364, Florida Statutes, established regulatory guidelines for all competitive and noncompetitive services in a much more complete fashion. Since the statutory provision upon which this proceeding was based has been repealed, we find that all hearings scheduled for this proceeding should be cancelled and this docket be closed.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Docket No. 930046-TP is hereby closed.
