ORDER INDICATING EXEMPT STATUS  
OF DAYTONA TWIN OAKS MOBILE HOME PARK AND CLOSING DOCKET

BY THE COMMISSION:

On March 14, 1995, Daytona Twin Oaks Mobile Home Park (Daytona Twin Oaks) filed an application with this Commission for recognition of its exempt status, pursuant to Section 367.022(8), Florida Statutes. Daytona Twin Oaks is a 49-unit mobile home park located at 2300 South Nova Road, South Daytona, Florida. Mr. John E. Neuenfeldt, General Manager and primary contact person, filed the application on behalf of Daytona Twin Oaks.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(8), Florida Statutes, which states, in part, that "[a]ny person who resells water or wastewater service at a rate or charge which does not exceed the actual purchase price thereof," and who complies with certain reporting requirements, is exempt from Commission regulation.

According to Daytona Twin Oaks' application, service area is limited to the mobile home park located at 2300 South Nova Road, South Daytona, Florida. Daytona Twin Oaks intends to purchase water and wastewater service from the City of Daytona Beach and resell it to its residents at a rate that does not exceed the actual purchase price for the service. Meters have been installed on each mobile home lot so that the residents will be charged for

the actual amount of water and wastewater used. Daytona Twin Oaks will read the meters on a monthly basis and bill the residents accordingly. Daytona Twin Oaks shall not charge the residents more for water and wastewater service than it pays the City of Daytona Beach for the service. In addition, Daytona Twin Oaks shall not pass on to the residents any costs associated with the lien which the City holds against its property. Daytona Twin Oaks will be responsible for service to vacant lots and common areas. No administrative or processing fees or miscellaneous charges will be charged to the residents.

Daytona Twin Oaks is aware of the requirements of Section 367.122, Florida Statutes, and Rules 25-30.111 and 25-30.262 through 25-30.267, Florida Administrative Code. In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Neuenfeldt acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Daytona Twin Oaks is exempt from Commission regulation as a reseller pursuant to Section 367.022(8), Florida Statutes. In the event of any change of circumstances or method of operation, the owner of Daytona Twin Oaks or any successors in interest, must inform the Commission within 30 days of such change so its exempt status may be reevaluated.

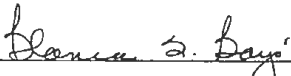

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Daytona Twin Oaks Mobile Home Park, 3737 Village Green Drive, Sarasota, Florida 34239, is hereby exempt from Commission regulation pursuant to the provisions of Section 367.022(8), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Daytona Twin Oaks Mobile Home Park or any successors in interest shall inform this Commission within 30 days of such a change so that we may reevaluate its exempt status. It is further

ORDERED that Docket No. 950279-WS is hereby closed.

By ORDER of the Florida Public Service Commission, this 12th  
day of September, 1995.
