AMENDATORY ORDER

BY THE COMMISSION:

On September 12, 1995, a Proposed Agency Action Order Granting Approval of Revised Depreciation Rates, Order No. PSC-95-1140-FOF-EI, was issued in this docket. In that Order, the Commission granted approval of the revised depreciation rates submitted by Florida Power & Light Company for its Martin Units Numbers 3 and 4. In addition, Florida Power & Light Company was allowed to implement a whole life depreciation rate of eight percent for new railroad cars at its Scherer Unit No. 4.

It has come to our attention that Order No. PSC-95-1140-FOF-EI contains a typographical error that requires correction. On Page 4 of that Order, in the second paragraph of the section titled NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW, the incorrect date was cited as the date by which any petition protesting Order No. PSC-95-1140-FOF-EI must be received by the Division of Records and Reporting. The last sentence of the second paragraph should, therefore, read, "This petition must be received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on October 3, 1995."

Upon consideration of the above, it is

ORDERED that Order No. PSC-95-1140-FOF-EI is hereby amended as described in the body of this order.

ORDERED that Order No. PSC-95-1140-FOF-EI is reaffirmed in all other respects.
