ORDER APPROVING NAME CHANGE

BY THE COMMISSION:

Rainbow Springs Utilities, Inc. (Rainbow Springs or utility) is a Commission certificated utility providing water and wastewater service in Marion County. Order No. 10995, issued July 15, 1982, granted Rainbow Springs Certificate Nos. 355-W and 311-S. Effective April 1, 1995, Rainbow Springs Utilities, L.C. was formed to supersede the previous corporate organization of Rainbow Springs Utilities, Inc.

On May 25, 1995, a petition for acknowledgement of a corporate reorganization was filed with this Commission on behalf of Rainbow Springs. Upon review by our staff, it appeared that the filing more appropriately reflected an application for name change. Pursuant to Rule 25-30.039 (1), Florida Administrative Code, an application for a name change applies to a certificated utility that changes its name only, with no change in the ownership or control of the utility or its assets. As stated in the petition, the utility's reorganization does not affect ownership or control of the utility or its assets. On June 21, 1995, Rainbow Springs refiled its petition as a name change.

The complete name, address, and type of business entity of the certificated utility is Rainbow Springs Utilities, Inc., 8625 Southwest 200th Circle, Dunnellon, Florida 34431, a Florida Corporation. The proposed change in name and the type of business entity under the new name is Rainbow Springs Utilities, L.C., a limited liability company. The effective date of the name change was April 1, 1995.

Rainbow Springs furnished with the petition proposed revised tariff sheets and its proposed notice to customers informing them of the name change. We have verified that there are no substantive changes in the tariff sheets other than the proposed name change. The utility did not return its original water and wastewater certificates because the certificates have been misplaced. The utility has requested replacement certificates.

FPSC-FILED DS/REPORTING

We find that the petition is in compliance with all provisions of Rules 25-30.032 and 25-30.039, Florida Administrative Code. Accordingly, the utility's request for approval of the name change is hereby approved. The utility's proposed customer notice is hereby approved; the utility shall send the notice to all of its customers. Further, the utility's proposed water and wastewater tariffs are hereby approved, and shall become effective for services provided or connections made on or after the stamped approval date on the tariff sheets.

Based on the foregoing, it is, therefore,

ORDERED by the Florida Public Service Commission that the change of name from Rainbow Springs Utilities, Inc. to Rainbow Springs Utilities, L.C. is approved. It is further

ORDERED that the proposed customer notice of name change is approved. Rainbow Springs Utilities, L.C., shall send the notice to all of its customers. It is further

ORDERED that the proposed water and wastewater tariffs reflecting the name change are approved and shall become effective for services provided or connections made on or after the stamped approval date on the tariff sheets. It is further

ORDERED that this docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 24th day of October, 1995.
