ORDER REGARDING FURTHER PROCEEDINGS

On August 30, 1995, the Order Establishing Procedure (Order) was issued in this docket in anticipation of the petitions that could be filed by eligible local exchange of alternative local exchange companies pursuant to Section 364.162(3), Chapter 95-403, Laws of Florida. See Order No. PSC-95-1084-PCO-TP. The Order established procedural dates for petitions that were received by September 15, 1995. The Order also stated that those dates may be modified for late-filed petitions.

The Order required that the direct testimony, exhibits and a proposed list of issues of the petitioner shall be filed with the petition. Although Continental Cablevision, Inc. (Continental) filed a petition on October 6, 1995, the date on which Continental filed an amended petition meeting the requirements of the procedural order was October 20, 1995.

The Chairman has set this matter for a formal administrative hearing on November 30 - December 2, 1995. The Order has been modified as set forth below to accommodate the formal administrative hearing set for the resolution of Continental's petition. The requirements of the Order shall remain effective for all subsequently filed petitions unless modified by order of the Commission or Prehearing Officer.

Discovery

Unless authorized by the Prehearing Officer for good cause shown, all discovery shall be completed by November 28, 1995.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
