ORDER REVISING ORDER ESTABLISHING PROCEDURE

The controlling dates for this proceeding were originally set by Order No. PSC-95-1208-PCO-WS, issued September 29, 1995. Those dates have been revised by Order No. PSC-95-1394-PCO-WS, issued November 9, 1995.

On November 21, 1995, the Commission required a supplemental notice to provide additional information to customers concerning the probable range of final rates. The Commission also decided that those customers who may not have been fully apprised of their possible final rates should have an additional opportunity to appear before the Commission at a customer service hearing. Therefore, customer service hearings were rescheduled as set forth in Order No. PSC-95-1466-PCO-WS, issued November 28, 1995. As a result of additional customer service hearings being scheduled, the evidentiary hearing and other controlling dates were postponed. The new controlling dates for this proceeding are set forth below:

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
