ORDER APPROVING WAIVER FOR NONRECURRING CHARGES

BY THE COMMISSION:

I. BACKGROUND

Hurricane Opal has caused severe damage in the Florida Panhandle. BellSouth Telecommunications, Inc. d/b/a Southern Bell Telephone and Telegraph Company (Southern Bell), AT&T Communications of the Southern States, Inc. (ATT-C), Sprint Communications Company Limited Partnership (Sprint) and Central Telephone Company of Florida (Centel) as well as other telecommunications companies, seek to render some relief to the victims in the areas where damage is severe. In order to accommodate emergency conditions and provide the needed relief, there may be the need for the Company to provide service in a manner not consistent with the normal Commission filing and review process for tariffs and rules. Because of the tremendous need for getting services in place, only the most basic requirements should be placed on temporary services being made available. By Order No. PSC-95-1306-FOF-TP, we implemented emergency abbreviated procedures enable telecommunications companies to put needed services in place as soon as possible. Pursuant to these procedures, services may be authorized by members of the Commission or specified members of the Commission's Staff subject to approval by the full Commission.
