ORDER INDICATING NONJURISDICTIONAL STATUS
OF STONE MILL CREEK CONVENIENCE STORE AND CLOSING DOCKET

BY THE COMMISSION:

On December 18, 1995, Stone Mill Creek Convenience Store (Stone Mill) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Stone Mill is a convenience store located at the intersection of Highway 7 and Stone Mill Creek Road, Wewahitchka, Florida. Mr. Billy E. Traylor, owner and primary contact person, filed the application on behalf of Stone Mill.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

According to Stone Mill's application, water service is provided only to the convenience store located at the intersection of Highway 71 and Stone Mill Road, Wewahitchka, Florida; there is no charge for providing the service; and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Traylor acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

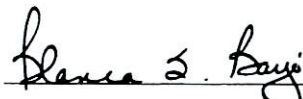

Based on the facts as represented, we find that Stone Mill is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Stone Mill is not subject to this Commission's jurisdiction. However, the owner of Stone Mill or any successors in interest are put on notice that if there is any change in circumstance or method of operation, it should inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Stone Mill Creek Convenience Store, Post Office Box 551, Wewahitchka, Florida 32465, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 6th day of February, 1996.
