ORDER INDICATING EXEMPT STATUS
OF DEERPOINTE OF JACKSONVILLE, INC. AND CLOSING DOCKET

BY THE COMMISSION:

On September 11, 1995, Deerpointe of Jacksonville, Inc. (Deerpointe) filed an application with this Commission for recognition of its exempt status, pursuant to Section 367.022(8), Florida Statutes. Deerpointe is a 215-unit mobile home park located at 9380 103rd Street, Jacksonville, Florida. Mr. Elliot D. Hindman, President and primary contact person, filed the application on behalf of Deerpointe.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(8), Florida Statutes, and Rule 25-30.060(1), (2) and (3)(h), Florida Administrative Code. Section 367.022(8), Florida Statutes, states, in part, that "[a]ny person who resells water or wastewater service at a rate or charge which does not exceed the actual purchase price thereof," and who complies with certain reporting requirements, is exempt from Commission regulation.

According to Deerpointe's application, the service area is limited to the mobile home park located at 9380 103rd Street, Jacksonville, Florida. Deerpointe intends to purchase water and wastewater from the City of Jacksonville (City) and resell it to its residents at a rate that does not exceed the actual purchase price.

Although each lot is individually metered, the City has installed a 6" master meter and now bills Deerpointe for the total consumption of the park. Deerpointe intends to continue to read the individual meters and bill the residents accordingly. The residents will be charged the same rates that the City charges Deerpointe. The residents will not, however, be charged the City's base charges and tax. Service to common areas will be prorated between the units; Deerpointe will be responsible for service to vacant lots, including the prorated share of service to common areas. Deerpointe intends to collect a \$50.00 deposit, which will

be applied to the resident's final bill, with any excess refunded to the resident. No administrative or processing fees or miscellaneous charges will be charged to the residents.

Deerpointe is aware of the requirements of Section 367.122, Florida Statutes, and Rules 25-30.111 and 25-30.262 through 25-30.267, Florida Administrative Code. In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Hindman acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

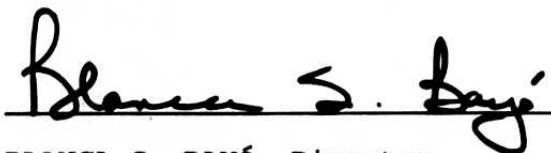

Based on the facts as represented, we find that Deerpointe is exempt from our regulation pursuant to Section 367.022(8), Florida Statutes. However, the owner of Deerpointe or any successors in interest are put on notice that if there is any change in circumstance or method of operation, it should inform the Commission within 30 days of such change so that its exempt status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Deerpointe of Jacksonville, Inc., 9380 103rd Street, Jacksonville, Florida 32210, is hereby exempt from Commission regulation pursuant to the provisions of Section 367.022(8), Florida Statutes. It is further

ORDERED that Docket No. 951088-WS is hereby closed.

By ORDER of the Florida Public Service Commission, this 6th day of February, 1996.
