NOTICE OF PROPOSED AGENCY ACTION
ORDER REGARDING EXTENDED AREA SERVICE

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

I. Background

This docket was initiated pursuant to Resolution No. 95-17 filed on April 24, 1995, by the Dixie County Board of Commissioners requesting extended area service (EAS) from the Cross City exchange to the Chiefland, Trenton, and Gainesville exchanges and from the Old Town exchange to the Chiefland, Trenton, and Gainesville exchanges. These exchanges are served by BellSouth Telecommunications, Inc. (BellSouth or the Company) and are located in the Gainesville LATA (local access and transport area).

By Order No. PSC-95-1391-PCO-TL, issued November 8, 1995, this Commission ordered BellSouth to conduct traffic studies on the Old Town/Gainesville and Cross City/Gainesville routes.

By Order No. PSC-95-1391-FOF-TL, issued November 8, 1995, in Docket No. 920260-TL, this Commission ordered extended calling service (ECS) on the Old Town/Chiefland route. The decision in Docket No. 920260-TL has been appealed to the Florida Supreme Court by the Florida Interexchange Carriers Association.

II. Extended Area Service

Section 364.385(2), Florida Statutes, provides that all applications for extended area service or extended calling service pending before the Commission on March 1, 1995, shall be governed by the law as it existed prior to July 1, 1995. Proceedings including judicial review pending on July 1, 1995, shall be governed by the law as it existed prior to the date on which this section becomes law. No new proceedings governed by the law as it existed prior to January 1, 1995, shall be initiated after July 1, 1995. Any administrative adjudicatory proceeding which has not progressed to the stage of a hearing by July 1, 1995, may, with the consent of all parties and the Commission, be conducted in accordance with the law as it existed prior to January 1, 1996.

Because this EAS request was filed after March 1, 1995, but before July 1, 1995, and since all the parties agree to abide by the previous version of Chapter 364, the existing EAS rules apply. To be considered for balloting for EAS, Rule 25-4.060(3), Florida Administrative Code, requires a calling rate of at least three messages per access line per month (M/A/Ms) in cases where the petitioning exchange contains less than half the number of access lines as the exchange to which EAS is desired. This rule further requires that at least 50 percent of the subscribers in the petitioning exchange make two or more calls per month to the larger exchange to qualify for traditional EAS.

The traffic data indicates that none of these routes had calling rates or distribution factors sufficient to meet the requirements for balloting pursuant to Rule 25-4.060(3), Florida Administrative Code. Accordingly, we find that none of the routes under consideration in this docket meet the M/A/M and distribution requirements to qualify for a survey for two-way, flat rate EAS.

III. Alternative Toll Plan

Historically, this Commission has considered the \$.25 calling plan or ECS on routes that met the calling rate and exhibited a substantial showing on the distribution requirement. ECS rates residential calls at \$.25 per call regardless of duration, and business calls at \$.10 for the first minute and \$.06 for each additional minute. Typically, these cases were close to meeting our requirements but fell short by a small percentage on the distribution criteria.

The same criteria previously used to evaluate EAS and ECS requests should be applied to this decision. Generally, this Commission has required implementation of alternative toll plans when the traffic study indicated that the calling volumes met the

3 M/A/M requirement and were close to meeting the 50% distribution requirement. This Commission has also approved alternative toll plans when the LECs have proposed ECS.

We find that the calling rates on the routes at issue in this docket do not have sufficient calling volumes or distribution to warrant an alternative toll plan. The Old Town/Gainesville route met the 3 M/A/M requirement but fell short of the distribution criteria. The remaining routes did not meet the M/A/M or the distribution criteria. Thus, we find that no alternative toll plan is approved for these routes.

Based on the foregoing, it is

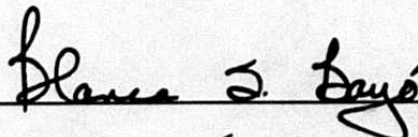

ORDERED by the Florida Public Service Commission that the request by the Dixie County Board of Commissioners for extended area service from the Cross City exchange to the Chiefland, Trenton, and Gainesville exchanges and from the Old Town exchange to the Chiefland, Trenton, and Gainesville exchanges is hereby denied. None of the routes qualify for a survey for nonoptional, flat rate, two-way extended area service. It is further

ORDERED that no alternative toll plans shall be offered on the routes considered in this docket. It is further

ORDERED that this Order shall become final and effective on the date set forth below if no timely protest is filed pursuant to the requirements set forth below in the "Notice of Further Proceedings or Judicial Review." It is further

ORDERED that in the event this Order becomes final, this docket shall be closed.

By ORDER of the Florida Public Service Commission, this 8th day of May, 1996.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

The action proposed herein is preliminary in nature and will not become effective or final, except as provided by Rule 25-22.029, Florida Administrative Code. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, as provided by Rule 25-22.029(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a) and (f), Florida Administrative Code. This petition must be received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on May 29, 1996.

In the absence of such a petition, this order shall become effective on the day subsequent to the above date as provided by Rule 25-22.029(6), Florida Administrative Code.

Any objection or protest filed in this docket before the issuance date of this order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this order becomes final and effective on the date described above, any party substantially affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or wastewater utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the effective date of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
