NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING CERTIFICATE TO PROVIDE ALTERNATIVE
LOCAL EXCHANGE TELECOMMUNICATIONS SERVICE

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Global Tel*Link Corporation (Global) filed an application to provide alternative local exchange telecommunications service pursuant to Section 364.337(1), Florida Statutes. Section 364.337(1), Florida Statutes, requires us to grant a certificate to provide alternative local exchange telecommunications service upon a showing that the applicant has sufficient technical, financial, and managerial capability to provide such service in the geographic area proposed to be served.

Upon review of Global's application, we find that it has sufficient technical, financial, and managerial capability to provide alternative local exchange telecommunications service. Therefore, we grant Global Certificate No. 4451 to provide alternative local exchange telecommunications service. Global should retain this Order as evidence of certification by this Commission.

The authority granted by this certificate is statewide, except as limited by Section 364.337(1), Florida Statutes. Alternative local exchange telecommunications providers (ALECs) may not provide basic local telecommunications services within the territory served by a company subject to Chapter 364.052, Florida Statutes, prior to

January 1, 2001, unless the small local exchange telecommunications company elects price regulation.

ALECs are required to comply with Chapter 364, Florida Statutes, Chapters 25-22 and 25-24, Florida Administrative Code, and other Rules and Orders lawfully promulgated by this Commission. Section 364.337(2), Florida Statutes, provides that each ALEC that provides basic local telecommunications service must provide access to 911 services. We find that the statute requires that ALECs that provide basic local telecommunications services must provide access to 911 services at the same level as access provided by the local exchange company serving the same area.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Global Tel*Link Corporation is hereby granted Certificate No. 4451 to operate as an alternative local exchange telecommunications company. It is further

ORDERED that where Global Tel*Link Corporation provides basic local telecommunications service, it must provide the same access to 911 emergency services as provided by the local exchange company serving the same area. It is further

ORDERED that, unless a person whose substantial interests are affected by the action proposed herein files a petition in the form and by the date specified in the Notice of Further Proceedings or Judicial Review, below, Certificate No. 4451 shall become effective and this docket shall be closed.

By ORDER of the Florida Public Service Commission, this 23rd day of May, 1996.

The action proposed herein is preliminary in nature and will not become effective or final, except as provided by Rule 25-22.029, Florida Administrative Code. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, as provided by Rule 25-22.029(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a) and (f), Florida Administrative Code. In the absence of such a petition, this order shall become effective on the day subsequent to the above date as provided by Rule 25-22.029(6), Florida Administrative Code.

Any objection or protest filed in this docket before the issuance date of this order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this order becomes final and effective on the date described above, any party substantially affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or wastewater utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the effective date of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure.
