Accordingly, we grant Certificate No. 4463 to NACC to provide interexchange telecommunications service.

Interexchange telecommunications service providers are charged with the responsibility of complying with the provisions of Chapter 364, Florida Statutes, and Chapters 25-4 and 25-24, Florida Administrative Code. Moreover, pursuant to the provisions of Order No. 16804, interexchange telecommunications service providers are prohibited from constructing facilities to bypass a local exchange company without express prior approval from this Commission.
