(MAIN STREET PARK) AND CLOSING DOCKET

BY THE COMMISSION:

On April 22, 1996, Clay County Parks and Recreation Department (Clay County Parks) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes, for the Main Street Park. Clay County Parks' system is located at 3788 Main Street, Middleburg, Florida. Mr. Jack Brooker, Recreation Director, and primary contact person, filed the application on behalf of Clay County Parks.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

According to Clay County Parks' application, water service is provided only to the restroom facilities of the Main Street Park located at 3788 Main Street, Middleburg, Florida; there is no charge for providing the service; and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly

making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Brooker acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Clay County Parks is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Clay County Parks is not subject to this Commission's jurisdiction. However, Clay County Parks or any successors in interest in the system located at 3788 Main Street, Middleburg, Florida, are put on notice that if there is any change in circumstance or method of operation which causes it to no longer qualify for exemption pursuant to Section 367.022, Florida Statutes, it should inform the Commission within 30 days of such change so that its status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Clay County Parks and Recreation Department, 3557 Highway 17, Green Cove Springs, Florida 32043, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes, for the Main Street Park. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 24th day of September, 1996.
