ORDER APPROVING TARIFF

BY THE COMMISSION:

On December 12, 1996, ALLTEL Florida, Inc., (ALLTEL) filed a tariff to revise its concurrence statements for Local and Interexchange Private Line Service. Except for Ringdown Circuit and Cable Pair Services, ALLTEL concurs in the rates, charges and regulations governing Local and Interexchange Private Line Service as filed by BellSouth Telecommunications, Inc., (BellSouth) in its Private Line Services Tariff. The changes are simply textual revisions. ALLTEL added language stating that it utilizes the rates, charges and regulations as filed by BellSouth in its Private Line Services Tariff, and changed references in two places to Southern Bell Telephone Company to references to BellSouth Telecommunications, Inc. Therefore, the revenue impact to the company is zero.

In addition, ALLTEL will grandfather its existing customers with Ringdown Circuit Service. This service will not be available to new customers, but only to existing customers at their current locations. Again, the revenue impact to the company is zero.

Based on the foregoing, we hereby approve ALLTEL's tariff to revise its concurrence statements for Local and Interexchange Private Line Service.
