FLORIDA PUBLIC SERVICE COMMISSION

ORDER ESTABLISHING PROCEDURE

On September 20, 1996, the Federal Communications Commission (FCC) issued its First Report and Order, Order No. 96-388, CC Docket No. 96-128, implementing the Telecommunications Act of 1996, 47 U.S.C. § 276(b)(1)(B) (the Act). On November 8, 1996, the FCC issued its Order on Reconsideration, Order No. 96-439, on the same issues presented in Order No. 96-388. As the FCC indicated in its Order No. 96-388, Section 276(b)(1)(B) of the Act requires that incumbent local exchange carriers (LECs) remove from their intrastate rates charges that recover the costs of their pay telephones. Further, FCC Order No. 96-388 requires that the revised intrastate rates must be effective no later than April 15, 1997. Also by this date, FCC Order No. 96-388 directs the states to determine the intrastate rate elements that must be removed to accomplish this elimination of any intrastate subsidies. FCC Order No. 96-388, ¶ 186.

Paragraph 145 of FCC Order No. 96-388 requires that all LECs deregulate their pay telephone operations by separating the pay telephone operation from the local exchange carrier. The LEC can accomplish this separation with either of two options: structural safeguards (separate subsidiary) or non-structural safeguards (accounting separations).

On February 7, 1997, MCI Telecommunications Corporation (MCI) filed a petition requesting that we order BellSouth Telecommunications Inc. (BellSouth) to remove its deregulated payphone investment and associated expenses from its intrastate operations and reduce its intrastate Common Carrier Line (CCL) charge by 36.5 million dollars (Docket No. 970172-TP). On the same date, MCI filed a similar petition for GTE Florida Incorporated (GTEFL) to reduce its intrastate CCL charge by 9.6 million dollars (Docket No. 970173-TP). On February 26, 1997, BellSouth filed a revised tariff (T-97-156). On February 27, 1997, BellSouth and GTEFL responded to MCI's petitions. MCI subsequently filed a response to GTEFL's answer to the MCI petition and particularly GTEFL's motion to dismiss.

On March 31, 1997, the Commission issued Proposed Agency Action Order (PAA) No. PSC-97-0358-FOF-TP denying both of MCI's petitions. This Order also established several generic implementation requirements that apply to all LECs (Docket No. 970281-TL). The implementation requirements dealt with the LEC pay telephone operation separation and the removal of the intrastate

pay telephone subsidy. The Order required that LEC tariff changes regarding the removal of the intrastate subsidy should be filed and become effective by April 15, 1997.

On April 21, 1997, MCI filed a Petition on Proposed Agency Action, protesting the Commission's PAA Order with regard to all three dockets: Docket Nos. 970172-TP, 970173-TP, and 970281-TL. MCI's protest requests a hearing: (a) to determine the amount of rate reductions required to eliminate the intrastate pay telephone subsidies for BellSouth and GTEFL; and (b) to determine the specific rate elements to which such reductions should be applied.

On May 15, 1997, BellSouth filed a Response to MCI's Petition and Motion for Expedited Resolution. On May 16, 1997, Sprint-Florida Incorporated (Sprint-Florida) filed its Response to MCI's Petition.

MCI's protest also requested that the Commission suspend the tariff filed by BellSouth to implement its estimate of the required rate reduction pending resolution of the protest. MCI requested that the Commission also require BellSouth to hold the amount of such reductions subject to disposition by further order of the Commission. On June 10, 1997, the Commission voted to deny these requests.

This Order sets forth the procedural schedule for the formal proceeding on MCI's protest of Docket Nos. 970172-TP, 970173-TP, and 970281-TL. The scope of this proceeding shall be based upon the issues raised by the parties and Commission staff (staff) up to and during the prehearing conference, unless modified by the Commission. The hearing will be conducted according to the provisions of Chapter 120, Florida Statutes, and the rules of this Commission.

Discovery

a. When discovery requests are served and the respondent intends to object to or ask for clarification of the discovery request, the objection or request for clarification shall be made within ten days of service of the discovery request. This procedure is intended to reduce delay in resolving discovery disputes.

b. The hearing in this docket is set for August 7, 1997. Unless authorized by the Prehearing Officer for good cause shown,

all discovery shall be completed by July 31, 1997. All interrogatories, requests for admissions, and requests for production of documents shall be numbered sequentially in order to facilitate their identification. The discovery requests will be numbered sequentially within a set and any subsequent discovery requests will continue the sequential numbering system. Unless subsequently modified by the Prehearing Officer, the following shall apply: interrogatories, including all subparts, shall be limited to 100, and requests for production of documents, including all subparts, shall be limited to 100.

c. Any information provided pursuant to a discovery request for which proprietary confidential business information status is requested shall be treated by the Commission and the parties as confidential. The information shall be exempt from Section 119.07(1), Florida Statutes, pending a formal ruling on such request by the Commission, or upon the return of the information to the person providing the information. If no determination of confidentiality has been made and the information has not been made a part of the evidentiary record in the proceeding, it shall be returned expeditiously to the person providing the information. If a determination of confidentiality has been made and the information was not entered into the record of the proceeding, it shall be returned to the person providing the information within the time period set forth in Section 364.183(2), Florida Statutes.

d. Due to the expedited nature of this proceeding, all responses to discovery requests must be served within 20 days of the request.

Diskette Filings

See Rule 25-22.028(1), Florida Administrative Code, for the requirements of filing on diskette for certain utilities.

Prefiled Testimony and Exhibits

Pursuant to Rule 25-22.048, Florida Administrative Code, each party shall prefile, in writing, all testimony that it intends to sponsor. Such testimony shall be typed on 8 ½ inch x 11 inch transcript-quality paper, double spaced, with 25 numbered lines, on consecutively numbered pages, with left margins sufficient to allow for binding (1.25 inches).

Each exhibit intended to support a witness' prefiled testimony shall be attached to that witness' testimony when filed, identified by his or her initials, and consecutively numbered beginning with 1. All other known exhibits shall be marked for identification at the prehearing conference. After an opportunity for opposing parties to object to introduction of the exhibits and to cross-examine the witness sponsoring them, exhibits may be offered into evidence at the hearing. Exhibits accepted into evidence at the hearing shall be numbered sequentially. The pages of each exhibit shall also be numbered sequentially prior to filing with the Commission.

An original and fifteen copies of all testimony and exhibits shall be prefiled with the Director, Division of Records and Reporting by the close of business, which is 5:00 p.m., on the date due. A copy of all prefiled testimony and exhibits shall be served by mail or hand delivery to all other parties and staff no later than the date filed with the Commission. Failure of a party to timely prefile exhibits and testimony from any witness in accordance with the foregoing requirements may bar admission of such exhibits and testimony.

Prehearing Statement

Pursuant to Rule 25-22.038(3), Florida Administrative Code, a prehearing statement shall be required of all parties in this docket. Staff will also file a prehearing statement. The original and fifteen copies of each prehearing statement shall be prefiled with the Director of the Division of Records and Reporting by the close of business, which is 5:00 p.m., on the date due. A copy of the prehearing statement shall be served on all other parties and staff no later than the date it is filed with the Commission. Failure of a party to timely file a prehearing statement shall be a waiver of any issue not raised by other parties or by the Commission. In addition, such failure shall preclude the party from presenting testimony in support of its position. Such prehearing statements shall set forth the following information in the sequence listed below.

- (a) the name of all known witnesses that may be called by the party, and the subject matter of their testimony;
- (b) a description of all known exhibits that may be used by the party, whether they may be identified on a composite basis, and the witness sponsoring each;

- (c) a statement of basic position in the proceeding;
- (d) a statement of each question of fact the party considers at issue, the party's position on each such issue, and which of the party's witnesses will address the issue;
- (e) a statement of each question of law the party considers at issue and the party's position on each such issue;
- (f) a statement of each policy question the party considers at issue, the party's position on each such issue, and which of the party's witnesses will address the issue;
- (g) a statement of issues that have been stipulated to by the parties;
- (h) a statement of all pending motions or other matters the party seeks action upon; and
- (I) a statement as to any requirement set forth in this order that cannot be complied with, and the reasons therefore.

Prehearing Conference

A prehearing conference will be held in this docket at the Florida Public Service Commission, 2540 Shumard Oak Boulevard Tallahassee, Florida 32399-0850. The conditions of Rule 25-22.038(5)(b), Florida Administrative Code, shall be observed. Any party who fails to attend the prehearing conference, unless excused by the Prehearing Officer, will have waived all issues and positions raised in that party's prehearing statement.

Prehearing Procedure: Waiver of Issues

Any issue not raised by a party prior to the issuance of the prehearing order shall be waived by that party, except for good cause shown. A party seeking to raise a new issue after the issuance of the prehearing order shall demonstrate that: it was unable to identify the issue because of the complexity of the matter; discovery or other prehearing procedures were not adequate to fully develop the issue; due diligence was exercised to obtain

facts touching on the issue; information obtained subsequent to the issuance of the prehearing order was not previously available to enable the party to identify the issue; and introduction of the issue could not be to the prejudice or surprise of any party. Specific reference shall be made to the information received, and how it enabled the party to identify the issue.

Unless a matter is not at issue for that party, each party shall diligently endeavor in good faith to take a position on each issue prior to issuance of the prehearing order. When a party is unable to take a position on an issue, it shall bring that fact to the attention of the Prehearing Officer. If the Prehearing Officer finds that the party has acted diligently and in good faith to take a position, and further finds that the party's failure to take a position will not prejudice other parties or confuse the proceeding, the party may maintain "no position at this time" prior to hearing and thereafter identify its position in a post-hearing statement of issues. In the absence of such a finding by the Prehearing Officer, the party shall have waived the entire issue. When an issue and position have been properly identified, any party may adopt that issue and position in its post-hearing statement.

Document Identification

To facilitate the management of documents in this docket, exhibits will be numbered at the Prehearing Conference. Each exhibit submitted shall have the following in the upper right-hand corner: the docket number, the witness's name, the word "Exhibit" followed by a blank line for the exhibit number and the title of the exhibit.

An example of the typical exhibit identification format is as follows:

Docket No. 12345-TL
J. Doe Exhibit No. _____
Cost Studies for Minutes of Use by Time of Day

Use of Confidential Information At Hearing

It is the policy of this Commission that all Commission hearings be open to the public at all times. The Commission also recognizes its obligation pursuant to Section 364.183, Florida Statutes, to protect proprietary confidential business information from disclosure outside the proceeding. Any party wishing to use any proprietary confidential business information, as that term is defined in Section 364.183(4), Florida Statutes, shall notify the Prehearing Officer and all parties of record by the time of the Prehearing Conference, or if not known at that time, no later than seven (7) days prior to the beginning of the hearing. The notice shall include a procedure to assure that the confidential nature of the information is preserved as required by statute. Failure of any party to comply with the seven day requirement described above shall be grounds to deny the party the opportunity to present evidence which is proprietary confidential business information.

When confidential information is used in the hearing, parties must have copies for the Commissioners, necessary staff, and the Court Reporter, in envelopes clearly marked with the nature of the contents. Any party wishing to examine the confidential material that is not subject to an order granting confidentiality shall be provided a copy in the same fashion as provided to the Commissioners, subject to execution of any appropriate protective agreement with the owner of the material. Counsel and witnesses are cautioned to avoid verbalizing confidential information in such a way that would compromise the confidential information. Therefore, confidential information should be presented by written exhibit when reasonably possible to do so. At the conclusion of that portion of the hearing that involves confidential information, all copies of confidential exhibits shall be returned to the proffering party. If a confidential exhibit has been admitted into evidence, the copy provided to the Court Reporter shall be retained in the Division of Records and Reporting's confidential files.

Post-Hearing Procedures

Rule 25-22.056(3), Florida Administrative Code, requires each party to file a post-hearing statement of issues and positions. A summary of each position of no more than 50 words, set off with asterisks, shall be included in that statement. If a party's position has not changed since the issuance of the prehearing order, the post-hearing statement may simply restate the prehearing position; however, if the prehearing position is longer than 50 words, it must be reduced to no more than 50 words. The rule also provides that if a party fails to file a post-hearing statement in conformance with the rule, that party shall have waived all issues and may be dismissed from the proceeding.

A party's proposed findings of fact and conclusions of law, if any, statement of issues and positions, and brief, shall together total no more than 60 pages, and shall be filed at the same time. The prehearing officer may modify the page limit for good cause shown. Please see Rule 25-22.056, Florida Administrative Code, for other requirements pertaining to post-hearing filings.

Based upon the foregoing, it is

ORDERED by Commissioner Susan F. Clark, as Prehearing Officer, that the provisions of this Order shall govern this proceeding unless modified by the Commission.
